

Garage Door Automation.

Controlling your garage door has never been easier.

A hand holding a red and silver B&D remote control in front of a brown garage door. The remote has a black circular button with a red dot in the center. The B&D logo is visible on the silver part of the remote.

b&d Controll-A-Door®

GARAGE DOOR AUTOMATION FOR SECTIONAL & ROLLING DOORS

B&D Controll-A-Door Prodigy® opener

B&D Controll-A-Door Power Drive® opener

Australians have trusted B&D's garage door automation products for decades. Our latest Controll-A-Door® range builds on our rich heritage by combining smooth and reliable operation with a range of features that help protect your family and belongings.

- Includes 2 x Premium Remotes and Wall Mount Remote Control
 - Tri-Tran+™ enhanced security
 - 5 year warranty
 - Suits single and double sized doors
- Full range and specifications on back page

popular accessories.

ENTRY KEYPAD

Allows you to enter the garage without a transmitter. Great for children. No need to give them a key or transmitter as they can enter the house with their PIN number.

RECHARGEABLE BATTERY BACK UP

If power supply to the opener is broken, the door will still be operational with the rechargeable battery back up.

WIRELESS SAFETY BEAMS

If you have young children or pets, safety beams provide added safety and security. If the beam is broken while the door is closing, it will automatically stop and reverse. B&D® always recommend the use of safety infra-red beams on all automatic garage doors.

smart phone control kit.

Have you ever wondered if you have left the garage door open after leaving the house? Problem solved! Our smart phone control kit takes garage door control to the next level by allowing you to monitor and control your garage door while you're at home or away from home!*

Available as an optional extra on all B&D Controll-A-Door® openers.
